WHEN DOES SCHOOL START IN UKRAINE ?

In Ukraine, schools start on the 1ST of September.

Students and teachers have a feast in the school to celebrate a new school year

In this day students wear traditional Ukrainian costumes

How are the Ukraine schools ?

The Ukraine school system is similar to the Italian one :

When the teachers come in the classroom the students have to stand up and say добрий день. After the lesson can start.

Students study Ukrainian, Maths , Geography, Art, Music, English, History.

Interview to my cousin V. How is your school ?

My school is big, there are more than 500 students and 20 students in a class

I hate this school ,it is very old

But I'm lucky because in my school we don't have to wear a uniform.

Do you have a White Board in your school ?

No, we use a traditional black board

But I would like to try it.

Because I hate black boards, as I can't stand the smell of chalk.

How do you go to school ?

I go home on foot , my home is not too far.

But when it snows I can use the public transport

I prefer walking because I hate waiting for a bus.

What is your favorite subject ?

My favorite subject is the Ukrainian language.

The Ukrainian teacher is the best and I'm good at this subject.

I can't stand Maths. It is boring and the teacher is strict.
